

Response™

One Tote | One Jug | One Pour

Best in Class all-in-one Non-Ionic Surfactant, Drift Control, Water Conditioner, Deposition Aid, pH Adjuster, Foliar Nutrition, Sticker, and Spreader.

DIRECTIONS FOR USE

Foliar Application

Apply **Intervene** by ground or air. If applied by air, use 3 to 5 gallons of water per acre. If applied by ground, use a minimum of 15 gallons of water per acre. **Intervene** is to be used as a supplemental nutrient application where plant diagnosis or tissue testing has determined a need for nitrogen, phosphate, and other nutrients, and not as a substitute for standard fertility programs. **Intervene** contains a deposition aid to improve canopy penetration and coverage. **Intervene** contains sucrose and guar gum as stabilizers and adjuvants.

SPRAY PROGRAM FOR ROW CROPS

ALFALFA:

Apply .5-4 pints per acre prior to first cutting when spring growth is 6 inches in height. Apply .5-4 pints per acre between cuttings when regrowth has reached at least 4 inches.

CORN:

1st Application – Apply .5-2 pints per acre at V5 with herbicides.
2nd Application – Apply .5-2 pints per acre prior to V8.

SOYBEANS:

1st Application – Apply .5-2 pints per acre when the first trifoliolate is unfolded.
2nd Application – Apply .5-2 pints per acre 1 week prior to bloom.
3rd Application – Apply .5-2 pints per acre at R3.

Dosages are calculated for normal water distribution volumes.

CAUTION

Causes moderate eye irritation. Avoid contact with eyes skin and clothing. Wear chemically resistant gloves when mixing or handling concentrate. Wash thoroughly with soap and water after handling.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with warm water for 15-20 minutes. Remove contact lenses, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water and continue for 15-20 minutes. Call a poison control center or doctor for treatment advice.
